

# IMPACT GYMNASTICS FUNdraisers

Dear School/Group Leader,

Impact Gymnastics is 24,000 sq ft of padded play area that kids of all ages love! Your group will have a blast (supervised by our trained staff) in our huge play area which includes in-ground trampolines, rope swing into the giant foam pit, slides, slam dunk basketball, and more! Great for:

- School/Team fundraising events
- Field trips
- End of season/school year parties
- After-dance parties

Here are two options to consider:

- **Private Events** for groups of all sizes and ages with exclusive use of the gym. Choose from all the play equipment (trampolines, rope swings, slides, tunnels, zip line, slam-dunk basketball, and more), our 5,000 sq ft rock wall, or both! Private Events are scheduled around all other public activities.
- **Public Open Play** sessions on Friday from 7-8:30PM (recommended for children ages 3-13, parents not allowed in the play area). The cost is \$12 per child for 1 ½ hours, but if you commit to bringing your team/students on a particular day, you can use our Open Play session as a FUNdraiser. We charge the normal price (\$12/child) and give 25% back to you. So, if you bring 50 children (you are welcome to open it up to friends and family), you'll earn \$150 for your school or team!

Please contact me to learn more, or to schedule your event.
